Question: Why do you find better workmanship in Buick motor cars?

Answer: Buick's precision methods are possible because of Buick's great volume. It would be impossible to put such fine workmanship into Buick cars for their price if Buick built but a few thousand cars a year.

Sergeant Geo. Kellums and family of Kelly Field, D. W. Howard of the Chevrolet distributing department, Mr. and Mrs. C. R. Gaines and R. W. Gaines composed a fishing party that spent last Saturday in the Con Can section. A persistent use of the rod and line failed to flood the market with fish, one little perch being the fruit of a strenuous day.

Carl Posch, an employee of the Ina Oil Co., was brought to town Wednesday for surgical attention. While assisting in installing a pump in Ina No. 3, he had the misfortune to get one of his arms fractured. One of our local surgeons set the injured member, and in due course of time he will regain normal use of his arm.

Quite a number of men, whose names we failed to get, spent the greater part of the week fishing at Medina Lake. Fritz Muennink, when he learned that they were planning to make their camp near his goat ranch, joined the party. He wanted at least enough goats left to start up again when the outing was over.

Ameda Bracken and the wife of Malcom White two of the Hondo's colored Amazons, had a rencounter Tuesday and as a result one of our local surgeons had to act as a tailor in closing knife wounds received by Ameda in the mix-up. However her wounds are not particularly serious.

Messrs. Fritz Helmke, John Buss, Henry Buss, Sr., Henry F. Buss, and Miss Clara Buss of this place attended the funeral of Mrs. Fritz Helmke, Sr., in New Braunfels Tuesday. The lady was the eldest sister of Messrs. John and Henry Buss and mother of Fritz Helmke.

DEVINE NEWSLETS.

From The Devine News.

After writing about fifty new members in the local Heralds of Liberty lodge, and appointing several county agents, Mr. R. C. Howard left yesterday for Oklahoma City. F. R. Briscoe and Miss Jean Teel are in charge of the business here. Jessie Howard will go this week to the Rio Grande Valley.

The Commissioner's Court of Medina County has agreed to go the state 50-50 in expenses of further ridding the county of cattle ticks. The quarantine was raised against Medina County, as a whole, but certain herds and pastures are still under quarantine.

SAYS WILL BE SHIPPING CORN IN TWO WEEKS.

Mr. Crockett, the Austin Roasting-man, was here Saturday and took a round with Mr. J. H. Spivey, one of his main scouts here, and decided that they would be ready to begin shipping from Devine, close to June 1st. Mr. Spivey says the 1,400 acres first subscribed on dry lands is largely a failure, but that they found about 400 acres irrigated now in silk and tassel and figure on shipping about as much as last year, when around 40 cars were loaded out here. They hoped to ship 150 cars from Devine this season. Mr. Crockett says the drought has affected the country at large and everything is late. He may be able to ship some out of the Wharton country earlier than here; provided they get another rain next week to save their crop; but the irrigated lands here is about the best and surest proposition he has in sight, according to what he told Mr. J. H. Spivey. Mr. Crockett bought a warehouse here last year and has already enlarged it. Many of us did not expect to see Mr. Crockett since the drought held on so long; but all are glad to hear that he is coming back and that we will have some to ship.

ADVERTISING KEEPS MONEY AT HOME.

In an address to the Austin Kiwanis Club, Thomas K. Kelly, editor of Kelly's Magazine, stated that "mail order houses get more orders from Texas than from any other state in the union, and if this continues there are going to be some new merchants in this state in the next few years, and many merchants now in business won't be selling goods then." He called attention to the fact that the mail houses spend 10 per cent of their gross sales every year in advertising, adding "I will make a bond right here that if retail merchants will spend only two per cent of their gross sales in advertising each year, putting that advertising into their local paper regularly and backing up their advertising with good merchandise at reasonable prices, the business will show up satisfactorily every year." That is a strong statement, but it is in line with the experience of every merchant who is making a success of his business. Why not try it? So many have succeeded that way that it is no longer an experiment.—Dr. Will H. Mayes.

## AN AUTO ACCIDENT.

An auto accident, in which Lou E. Heath, tax collector, J. J. Droitcourt, county treasurer, J. M. Finger, president of the First National Bank, and Dr. J. E. Schlottman, were involved occurred last Sunday afternoon near D'Hanis. Mr. Heath was at the wheel and wishing to gain more speed, pressed the gas feed, the feed after being pressed down

hung very much accelerating the speed of the car. Not being able to get the feed loose, he reached for the switch to cut off the spark, the car heading for a fence, he attempted to make a quick turn to get the car back in the road, when one of the front wheels broke, causing the machine to overturn. It seems almost a miracle that all of the occupants of the car were not instantly killed. Dr. Schlottman was the most seriously hurt of the four, he receiving a severe sprain to his back. Since the accident he has been confined to his bed, and at first suffered intensely, and while he is still extremely sore, is reported slowly improving. However, it will be some time before he is again enjoying his normal health. All the other passengers were considerably bruised and shaken up, but were not seriously enough injured to confine them to their beds.

## WHAT MY NEIGHBOR SAYS

Is of Interest to Hondo Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that persons advice is of untold value to friends and neighbors. The following case is only one among thousands, but it is that of a Hondo resident. Who could ask for a better example?

F. H. Bohlen, proprietor of repair shop, says: "My back ached and I had a dull pain in my kidneys. I was often dizzy and black specks appeared before my eyes. My kidneys acted irregularly and the secretions were highly colored and burned in passage. I used Doan's Pills and they cured the attack. My back is now as strong as iron and my kidneys act regularly."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Pills—the same that Mr. Bohlen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## AGED WOMAN DIES.

Relatives here received the news Monday from Bracken, Texas, of the death early that morning, May 25, 1925, of Mrs. Annie Helmke, wife of Fritz Helmke, Sr., and mother of Fritz Helmke, Jr., of this county. The remains were buried at New Braunfels Tuesday morning under the auspices of the Methodist church of that place.

The deceased was in her 76th year and had been in feeble health for a number of years. Death no doubt came to her as a welcome relief from suffering. She was a native of Comal County and had spent the greater portion of her life there. She was the eldest of several brothers and sisters and is survived by four, three brothers, Wm. Buss of Seguin, John Buss and Henry Buss, Sr., of this place, and one sister, Mrs. Jane Scheffel of San Antonio. Nine grown children also survive her.

This paper joins in sympathy for those who mourn the departed.

## THE CO-OPERATIVE REVIVAL.

Good crowds are attending the meeting. Rev. Vaughn is a speaker of no means ability. His messages are very earnest and forceful.

Bro. Hiatt has organized a great chorus choir and the singing is quite an attractive feature of the meeting. "A Booster Choir" composed of some 35 or 40 boys and girls may be heard each evening. Come and hear the juniors sing.

Services will continue through next week each morning at 10 and the evening at 8.

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

## THE FINAL DRAMA.

The curtain fell on the final drama  
of the 1924-1925 term of the Hondo  
High School Friday night of last  
week with the closing exercises of  
graduation.

The stage and Auditorium were  
beautifully decorated with potted  
plants and streamers and festoons of  
the class colors, white and gold, all  
making a beautiful setting for the  
exercises.

The program began with a feeling  
invocation by Rev. A. M. Foster.  
Miss Frances Neuman delivered the  
Salutatory for the class; Lloyd Par-  
sons read the Class History; Mrs. F.  
S. Cockrell sang a beautiful solo in  
her rich musical voice; Hilmer Haeg-  
elin read the Class Prophecy; Miss  
Roberta Hudspeth read a very  
clever Class Poem; Miss Lottie Hol-  
laway rendered a piano solo and Miss  
Lois Ulbrich read the Class Will.

Following this Prof. P. P. Brew-  
ster introduced the speaker of the  
evening, Dr. J. Stuart Pearce, a  
Presbyterian minister from San An-  
tonio. Dr. Pearce delivered a very  
instructive address to the class and  
we regret that we are not able to re-  
produce it in full in this paper.

After the address, Prof. Brewster,  
on behalf of the Board of Trustees,  
presented the graduates with their  
diplomas.

This closed the happy event and  
the graduates were showered with  
congratulations and good wishes on  
every hand.

The personnel of the class is as  
follows:

Misses Lottie Hollaway, Frances  
Neuman, Elsie Buss, Jerry Fussel-  
man, Louise Griffin, Roberta Hud-  
speth, Louisa Ulbrich, Theresa Le-  
bold and Irene Lebold and Messrs.  
Lawrence Brucks, Volney Boon, Hil-  
mer Haegelin, Lloyd Parsons, Rein-  
hart Rothe and Joe Harvey Wilson.

## THE ALUMNI ENTERTAINS.

Saturday evening, May 23, the  
Seniors of "25" were asked to at-  
tend a lawn party that was given at  
the home of Mr. and Mrs. O. E.  
Lacy.

At eight o'clock the guests began  
arriving, everyone was in a state of  
excitement especially the Seniors  
—not knowing that the degrees  
that were to be conferred upon them  
were not severe.

The Seniors were escorted to a  
room upstairs where they were made  
to believe hideous plans had been  
made to initiate them into the  
Alumni. They were then taken sepa-  
rately to the porch where amidst  
groans and shrieks the degrees of  
the Alumni were bestowed upon them.

Punch was served throughout the  
evening, and at the close of the in-  
itiations, forty-two and Bunco were  
played.

At about eleven o'clock dainty re-  
freshments of yellow and white brick  
ice-cream and macaroons were serv-  
ed; the favors being a shasta daisy,  
the class flower.

Soon after, everyone departed for  
their homes having enjoyed them-  
selves immensely.

Willie Musmann was in town  
Monday afternoon with some choice  
roasting ears and favored the editor  
with a nice mess. Mr. Musmann  
has about five acres of corn in  
roasting ear. This is all that re-  
mains from a planting of 160 acres  
in the spring, the rest having suc-  
cumbed to the long protracted  
drouth and insect pests. These five  
acres are in a low part of the field  
to which the moisture—when there  
is any—naturally gravitates and by  
constant surface stirring Mr. Mus-  
mann has retained sufficient of the  
moisture to bring the crop to ma-  
turity. Another practical demon-  
stration of the value of moisture con-  
servation in Southwest Texas is this.

Mr. and Mrs. Henry Merriman and  
little daughter, will leave Tuesday  
evening for California where they  
will spend Mr. Merriman's summer  
vacation. They will travel the up-  
per route, through Denver, Salt Lake  
City on to Los Angeles, their desti-  
nation being Pasadena. On their  
return trip they will view the won-  
ders of the Grand Canyon. They purpose  
being away from Hondo about three  
weeks.

A big touring car from San An-  
tonio going east on the highway Fri-  
day afternoon struck a coupe oc-  
cupied by Mrs. Wesley Leinweber  
and Miss Rhoda Mae Taylor while  
crossing the street near the I. H.  
King residence, knocked the coupe  
into the ditch and gave the young  
ladies a pretty serious shaking up.  
Fortunately neither car was going  
at a very high rate of speed or the  
damage might have been more seri-  
ous.

Mr. and Mrs. M. J. Batot motored  
over from College Station the first  
of the week on a visit to homefolks.  
They returned Thursday to the Col-  
lege where Mr. Batot receives his  
diploma this week as a graduate of  
the school of Architecture.

## DIFFERENCES ARE SETTLED; STEERS TO MEET INDIANS.

After differences of opinion in the  
business arrangements for the ap-  
pearance of the Texas University  
Longhorns, Southwestern Conference  
champions, had threatened to cancel  
their scheduled engagement here, a  
parley between "Uncle Billy" Disch,  
Steer coach, and Harold Winters,  
manager of the Alamo-Peck Indians,  
early Wednesday, brought about an  
agreement on terms and the Long-  
horns will show here in two games  
Sunday. They will play under their  
summer name of Beeville Long-  
horns.

The Longhorn team will be intact  
in their two appearances at Schwab  
Field, using the same lineup with  
which they literally slugged their  
way to another championship and  
won 18 out of 26 games on their  
schedule. In addition to this array  
of talent, one or two of the promis-  
ing Shorthorn squad may be with  
the team, probably Neil Baker, crack  
right-hand hurler, and "Potsy"  
Allen, catcher, pitcher and all-around  
utility man, a former star at San  
Marcos Baptist Academy.

Included in the squad of Steers  
will be Capt. Kibbie, shortstop, who  
has signed a Boston Brave contract;  
captain-elect Clyde Park, Jack  
Smith, Howard Williamson and Hy.  
Phannkuche, the latter a local boy,  
outfielders; Collie Falk, Fred Thomp-  
son, Joe Eason, Dewey Smalley and  
Jackie Radford, infielders; Albert  
Leissner and Charlie Ramsey, catch-  
ers; Roy Clements, Ben Dave Allen,  
Leslie Cox, pitchers and Douglas  
Wolseley, student manager.

The Longhorns lost two games to  
Mississippi A. & M. College, two of  
the Austin Rangers of the Texas As-  
sociation, one to the Minneapolis  
Millers of the American Association  
in 11 innings, one to the Rice Owls,  
and another to the Baylor Bears. The  
eighth game the Steers failed to win  
was a tie with T. C. U., 7-7, in 11  
innings.

They swamped Southwestern U.,  
Minnesota U., and took two games  
from the Austin Rangers, while they  
added two victories each over Texas  
A. & M. College, Arkansas U., Okla-  
homa A. & M. and S. M. U. They  
beat Baylor and Rice in return  
games, while Austin College was also  
added to their list of victims, 4-1.

Leslie Cox and Roy Clements are  
the Steers mound stars and proved  
the most consistent winners for the  
Steers. Deficiency in the box was  
made up for by the big bats of the  
Steers and a large number of their  
victories were largely due to their  
slugging ability.

The Longhorns will motor over  
early Sunday morning and play the  
first game with the Indians at 10 o'-  
clock. The afternoon tilt starts at  
3 p. m.

Alamo-Peck will use their regular  
lineup, with Eddie Mueller, Leroy  
Hicks and Jimmy Brought as the  
probable hurling selections for the  
three games, with Kisner, Aldworth,  
Holmes and Shilvey in reserve.

## SHERIFF BRINGS MAN FROM ARIZONA.

Governor Ferguson issued requi-  
sition on the Governor of Arizona for  
the return of J. M. Smith, alias Jack  
E. McCraig, who is charged with  
burglary and assault to murder, said  
to be connected with the affair when  
Sheriff H. H. Matthews of Uvalde  
County was shot in the hand at  
D'Hanis last January. The man  
had been arrested by the Sheriff at  
Globe, Arizona, and placed in jail  
there. The arrest was made through  
published notice of reward and a  
photograph attached of the man want-  
ed in Uvalde County. The man signed  
a waiver and agreed to accompany  
the Sheriff back to Uvalde County  
and stand trial for the charges against  
him. Sheriff Matthews arrived at  
Uvalde Wednesday night. He was  
detained some five hours at the Lobo  
siding on account of a wash out.—

## TAKE IT TO JENNINGS.

### The Woman Who Knows

Houston, Texas—"Because of my father-in-law having been benefited by taking Dr. Pierce's Golden Medical Discovery while living with us, I knew about Dr. Pierce's remedies. I knew about his poor health and how he gained strength, could rest and sleep better and was more active and cheerful. Later on it became necessary for me to take a woman's tonic, and I chose Dr. Pierce's Favorite Prescription. After the first few doses I felt better, and now recommend it very highly for women during middle age."—Mrs. Fannie Dishon, 2211 Center St. All dealers. Liquid or tablet form.
